Hesston 1120, 1130, NH 479, 488, 489 - posted in Machinery: After much thought I think I'm in the market for an old haybine. With my narrow roads, tight gates and limited tractor weight, a side pull non pivot I think is the way to go. I have heard lots about nh 479, 488, 489 haybine and know that they are rock solid. I am partial to Hesston somewhat because of a close dealer and past experiences.
