

Download Advances In Clinical Child Psychology

Volume 14

BJPsych Advances distils current clinical knowledge into a single resource, written and peer-reviewed by expert clinicians to meet the CPD needs of consultant psychiatrists. Each issue includes commissioned articles dealing with physical and biological aspects of treatment, psychological and sociological interventions, management issues and treatments specific to the different psychiatric ...CiteScore: 10.56 ? CiteScore: 2017: 10.560

CiteScore measures the average citations received per document published in this title. CiteScore values are based on citation counts in a given year (e.g. 2015) to documents published in three previous calendar years (e.g. 2012 – 14), divided by the number of documents in these three previous years (e.g. 2012 – 14). Psychology is the science of behavior and mind (not to be confused with neuroscience, which studies the neural underpinnings of psychological phenomena ex. neural circuits). Psychology includes the study of conscious and unconscious phenomena, as well as feeling and thought. It is an academic discipline of immense scope.

Psychologists seek an understanding of the emergent properties of brains ...Find peer-reviewed journals that publish Developmental Psychology. Journal descriptions are excerpts from their websites; impact factors are from Thomson Scientific's 2007 Journal Citation Reports (higher numbers means a greater number of average citations of new papers in the following 2 years).
