

Download Carmen Sandiego Think Central

Carmen Sandiego is a series of American educational mystery video games which spawned an edutainment franchise of the same name. The game released in 1985, *Where in the World Is Carmen Sandiego?*, triggered both the video game series and the franchise as a whole, which has continued up to the present day. Each game of the series has a particular theme and subject, where the player must use his or ... We would like to show you a description here but the site won't allow us.
