RX330 2005 Automobile pdf manual download.The video above shows you how to replace the battery in your 2004 Lexus RX330. We recommend changing the battery in Lexuss every 4 years. Although some batteries last much longer, most batteries begin breaking down chemically after four years, so you could experience dimmer headlights and other negative effects before you have a dead battery in your RX330 that you need to replace.This item taken off of LEXUS GX470 2006. The item is an OEM. The item that you can see on the picture is the actual item that you will receive.
