The story of Mary-Ellen O'Keefe's Word-Speaking Diet reminds me both of myself and one of my children in grade school. I was a painfully shy child and it was very difficult for me to open up and let others get to know me. Mary-Ellen O'Keefe is a smart and happy little girl who loves to talk, sing, ask questions, and generally speak her mind. That is, until her first day of school where the unfamiliarity of a new and different environment makes her nervous and shy and causes her to go on an unexpected and very unusual "Word-Speaking Diet". I received a kindle copy of Mary-Ellen O'Keefe's Word-Speaking Diet by Tom E. Neely in an Amazon promotion. This book was a pleasant surprise. I think it would be ideal reading for a child who might be 'tongue-tied' or shy.
