Gitaigo and Giongo are effects that one encounters when reading Japanese manga. While giongo are the effects that represent actual sounds, gitaigo are effects that convey emotion, action, and other non-auditory effects. These onomatopoeic and mimetic effects are most common in anyone who's involved in fitness in one form or another has invariably run upon motivational pictures such as these: Or have seen videos of older gents who chose to work hard and be in wicked shape at a time in their lives when most of their similarly aged peers are barely functioning messes suffering from their first major health issues caused by years of laziness and gluttony.

Anti-Oedipus: Capitalism and Schizophrenia (French: *Capitalisme et schizophrénie. L'anti-Œdipe*) is a 1972 book by French authors Gilles Deleuze and Félix Guattari, respectively a philosopher and a psychoanalyst. It is the first volume of *Capitalism and Schizophrenia*, the second being *A Thousand Plateaus* (1980).. Deleuze and Guattari analyse the relationship of desire to reality and to ...

Let me get right to the point: American women are good for one thing and one thing only: Sex. Try as I might to hammer something into existence that stateside girls can provide me that I can't provide for myself outside of a warm, moist hole to stick my dick in, I just can't think of anything.. The hard truth is that the "anything you can do I can do better" mantra today's women ...
