VoyForums Announcement: Programming and providing support for this service has been a labor of love since 1997. We are one of the few services online who values our users' privacy, and have never sold your information. We have even fought hard to defend your privacy in legal cases; however, we've done it with almost no financial support -- paying out of pocket to continue providing the service. About Textron Specialized Vehicles Textron Specialized Vehicles Inc. is a leading global manufacturer of golf cars, utility and personal transportation vehicles, and ground support equipment. Introduces students to the basic processes of the automotive industry and how the estimating process is involved. Topics of focus are the estimate process both computer-based and hand-written, estimation adjustment, customer service, total losses, parts ordering, work flow, general shop running operations, and profit assessment and negotiation. 15 hours of lecture and 90 hours of lab are required.
