Terah Kathryn Collins founded the Western School of Feng Shui to provide training programs for people to learn real-world practical applications of Essential Feng Shui. So, the equation stands something like this: Colors represent elements and elements govern or dominate directions. What this – indirectly – means is that colors can be used – or managed – to modify the effects of an element in a particular direction and that’s what feng shui colors is all about. Now understanding feng shui colors is a two-step process. Introduction. The position, design, state of repair and feng shui colors of your front door are all vitally important. This is because the front door is considered to be the “mouth of chi” where vital energy enters and exits your home. The Feng Shui Bagua uses your space to map your life, identifying the life areas where you need to make key changes. The Bagua Map is Feng Shui’s way of bringing the power of your Intention to your health, intimate relationships, money matters and more.
